If any provisions of this Agreement are deemed to create a franchise relationship, or Reseller alleges such a relationship with IG Technologies arising out of or in connection with this Agreement, the parties may negotiate in good faith to modify this Agreement so as to reflect as closely as possible their original intent in entering into this Agreement in order that the transactions contemplated hereby be consummated pursuant to an independent contract and not a franchise relationship, or at its option, IG Technologies may terminate this Agreement immediately. 7.5 **Fair Competition.** Reseller shall comply with antitrust/fair competition laws applicable to its business activities in all jurisdictions where it operates and shall not disturb or hinder legitimate competition in any unlawful manner. Accordingly, with regard to any business with IG Technologies, Reseller shall not: (i) enter into any agreement with any of Reseller's competitors with regard to price, terms, or conditions of sale, production, distribution, territories, or customers; or (ii) exchange or discuss with any of Reseller's competitors pricing, marketing plans, costs, or other competitive information. Reseller agrees to be knowledgeable of fair competition laws in the territories in which it operates. In the event that any provision of this Agreement conflicts with applicable fair competition laws, or any other applicable laws, in the territories in which Reseller operates under this Agreement, such laws shall supersede. Reseller shall immediately notify IG Technologies in the event it becomes aware of any such conflict and the parties shall work to amicably, and in good faith, determine a course of action to ensure compliance with all applicable laws in the course of its operations, or exercise its rights of termination under this Agreement to avoid a violation of law.

7.6 Upon request by IG Technologies, Reseller agrees that it will provide a certification of compliance with its obligations under this Section and applicable law.

8 PRICING, FEES, AND PAYMENT

8.1 **Pricing and Fees.** The fees for the Reseller to purchase Subscription Services for resale will be specified by IG Technologies and will be applicable for the period specified in the IG Technologies Quote (as may be applicable). If no period is specified, prices will be applicable for thirty (30) calendar days. Notwithstanding the foregoing, prices may be subject to increase upon renewal or in the event of add-ons or upgrades. Except as otherwise specified herein or in a Quote: (a) fees are based on the Subscription Services acquired and not the actual usage; (b) payment obligations are non-cancelable and fees paid are non-refundable, except where expressly permitted herein; and (c) the applicable term and quantities purchased cannot be decreased during the applicable Subscription Services term. Reseller is responsible for any payments owed but not paid by any of its Affiliates or Customers.

8.2 **Invoices and Payments.** IG Technologies shall render electronic invoices for all orders. Reseller will pay the applicable fees in accordance with this Section and the applicable Quote or purchase order. Payment terms shall be net thirty (30) days from the date of invoice. Payments shall be in United States Dollars (USD) unless otherwise agreed upon in writing by IG Technologies, and made to the account information as specified on the applicable Quote or purchase order. Reseller accepts any foreign exchange rate fluctuation (positive or negative). Reseller shall pay all amounts due under this Agreement without setoff, deduction, recoupment, or withholding of any kind, whether under this Agreement, applicable law, or otherwise. Reseller bears all credit risk regarding, and is solely responsible for collecting payment for, and all sales of, Subscription Services. Reseller's inability or failure to collect payment in full for any Subscription Services does not affect Reseller's obligation to pay IG Technologies in strict accordance with this Section.

8.3 **Late Payments.** If any amount due is not received by IG Technologies from Reseller within fifteen (15) days' notice of late payment, IG Technologies shall be entitled to receive the amount due plus interest thereon at a rate of 1.5% per month (or, if impermissible by applicable law, then the highest rate deemed permissible) on all amounts that are not paid on or before the due date. Reseller shall also pay all of IG Technologies's reasonable costs of collection including, but not limited to, reasonable attorney's fees.

8.4 **Invoice Disputes.** IG Technologies will not collect interest on late payments in the event Reseller provides IG Technologies notice that Reseller disputes such charges, in good faith, and provides IG Technologies with written notice of such dispute prior to the due date and pays all undisputed charges on time and cooperates diligently to resolve the dispute.

8.5 **Taxes.** All fees and charges referenced in this Agreement are exclusive of any and all taxes, levies, duties, or similar governmental assessments of any nature including, for example, value-added; sales; use; or withholding taxes, assessable by any jurisdiction whatsoever (collectively, "Taxes"). Reseller will be solely responsible for and will add, charge, collect, and remit any and all Taxes associated with, based on or due as a result of: (a) any amounts paid by Reseller to IG Technologies pursuant to this Agreement; and (b) the provision of Subscription Services and/or Professional Services. For the avoidance of doubt, IG Technologies is solely responsible for taxes assessable against it based on its income, property, and employees. If IG Technologies has the legal obligation to pay or collect Taxes for which Reseller is responsible under this Section, IG Technologies will invoice Reseller, and Reseller will pay that amount unless Reseller provides IG Technologies with a valid tax exemption certificate authorized by the appropriate taxing authority. If IG Technologies pays any such Taxes (other than corporate income taxes payable by IG Technologies), Reseller will immediately indemnify and hold IG Technologies harmless for the amount paid plus any interest, penalties, and other expenses (including legal fees and disbursements) incurred in connection therewith and interest thereon. Reseller will provide IG Technologies with any relevant sales tax numbers or exemption certificates upon request by IG Technologies.

8.6 **No Other Payments.** Except where otherwise expressly provided in this Agreement, each party is solely responsible and liable for all costs and expenses it incurs in entering into and performing this Agreement including, without limitation, expenses related to marketing of the Subscription Services and/or Professional Services, and Reseller is not entitled to receive any fees, commissions, or other remuneration for the performance of Reseller's obligations under this Agreement.

Subject to the foregoing nondisclosure and non-use obligations, the Receiving Party will use at least the same degree of care and precaution that it uses to protect the confidentiality of its own Confidential Information and trade secrets of similar nature, but in no event less than reasonable care. Each party acknowledges that due to the unique nature of the other party's Confidential Information, the Disclosing Party will not have an adequate remedy in money or damages in the event of any unauthorized use or disclosure of its Confidential Information. In addition to any other remedies that may be available in law, in equity, or otherwise, the Disclosing Party shall be entitled to seek injunctive relief to prevent such unauthorized use or disclosure.

- 9.3 **Return and Destruction of Materials.** All documents and other tangible objects containing or representing Confidential Information that have been disclosed by either party to the other party, and all summaries, copies, descriptions, excerpts, or extracts thereof that are in the possession of the other party will be, and remain, the property of the Disclosing Party and will be promptly returned to the Disclosing Party. The Receiving Party will use reasonable efforts to promptly delete or destroy all summaries, copies, descriptions, excerpts, or extracts thereof in its possession upon the Disclosing Party's written request. The Receiving Party will have no obligation to delete or destroy copies that: (a) are contained in an archived computer system backup that were made in accordance with such party's security, retention, and/or disaster recovery procedures; or (b) are kept by a party for record-keeping, archival, or governance purposes in compliance with such party's document retention policies. Any such retained Confidential Information will remain subject to the terms and conditions of this Agreement for so long as it is retained. Notwithstanding the return or destruction of the Confidential Information, the Receiving Party will continue to be bound by its confidentiality and other obligations hereunder in accordance with the terms of this Agreement. At the Disclosing Party's option, the Receiving Party will provide written certification of its compliance with this Section.

The allocations of liability in this Section represent the agreed, bargained-for understanding of the parties and IG Technologies' compensation hereunder reflects such allocations. The limitation of liability and types of damages stated in this Agreement are intended by the parties to apply regardless of the form of lawsuit or claim a party may bring, whether in tort, contract, or otherwise, and regardless of whether any limited remedy provided for in this Agreement fails of its essential purpose.

IG Technologies shall have the right to contact each Customer directly to discuss continued provisioning of the Subscription Services either from IG Technologies, directly, or through another authorized IG Technologies channel partner

so that Customers' access to the Subscription Services is uninterrupted. Reseller shall reasonably cooperate with IG Technologies upon request as necessary to ensure a smooth transition for the Customers.

Similarly, if Reseller has obtained a higher Reseller tier designation and has been displaying a certificate of authorization referencing that higher tier (e.g., Certified or Premier) and loses that tier status or is otherwise terminated, Reseller must immediately cease such outdated or invalid displays upon any change in status. Resellers may display IG Technologies Marks and only a current, valid authorization, up until the date of termination, upon which all such displays must cease immediately.

IG Technologies reserves the right, in its sole discretion, to terminate this Agreement with no notice if there is no activity (defined as no procuring of Subscription Services for resale in accordance with this Agreement) for a period of one hundred and eighty (180) consecutive days at any time during the Term.

14.5 Suspension. Notwithstanding any other provision of this Agreement, and without limiting IG Technologies' s rights or remedies under this Agreement or otherwise, IG Technologies may, at its option, suspend Reseller's use or access to the Subscription Services or the Partner Portal if: (a) Reseller is in breach of the Agreement (including for failure to make timely payment); (b) IG Technologies believes that such use or access poses a security risk to the Partner Portal, to other Resellers, the Subscription Services, or to other Customers or End Users of the Subscription Services; (c) it is necessary to prevent damage to, or degradation of, the Subscription Services or IG Technologies' s systems; (d) such use or access violates any law, regulation, court order, or other governmental request; or (e) IG Technologies suspects fraud or abuse. Nothing in this clause limits IG Technologies' s right to terminate for cause as outlined in this Agreement or ability to terminate this Agreement in the instance Reseller is acting, or has acted, in a manner that violates applicable law.
